BIOGRAPHY

Andrew started his career in the 1980's studying fashion design and pattern cutting, winning an award for 'Best Fashion Student'. After working in the fashion business, he joined ITV in 1990 as a costume assistant and stylist. Over the last 14 years Andrew has focused on costume design and his credits include feature films, television dramas and entertainment shows as well as styling many well known artists in the music industry. He has headed projects all over the world including the USA, Africa, the Caribbean and the Far East.

QUOTES

Variety praised his design of Nick Love's *The Business*, quoting "...costume design by Andrew Cox is right on the money".

Total Film said *Electricity* was "Boldly styled, Boldly acted, Joltingly powerful"

Too Much Flavour on *Streedance 3D* "It's not just the glorious colours on screen that makes it glossy, but the costume too."

Peter Hider, Associate Producer "Andrew's unerring attention to detail and good humour, despite the often rigorous demands of filming, inspire confidence in both cast and directors."
